### DESCRIPTION

Pluggit! Hole Plugs Seals Cutouts for 1/2 Inch conduit diameters or 22mm push buttons.

Pluggit! hole plugs are submersion and hosedown rated component for use in electrical enclosures UL recognized to type 4X and 6P.

### APPLICATION

Hole Plug used with enclosures which house electrical and electronic controls; instruments; and components

### FEATURES

- Pluggit! Superior corrosion resistance compared to rust-prone carbon steel and other metallic alternatives helps ensure increased enclosure life expectancy.
- Considerably better long-term resistance to UV degradation versus UV-susceptible soft rubber plugs that

turn brittle from extreme temperature variations and repeated UV exposure.

- Will not create galvanic corrosion associated with dissimilar metals sometimes used in electrical enclosures.
- Maintains all chemical resistance features of current Robroy Enclosures products.
- A submersion/hosedown rated component for use in electrical enclosures UL recognized to type 4X and 6P.

## General Information

|                   |             |
