### DESCRIPTION

12W x 6D weight distribution shelf provides an extremely rugged support system when adding heavy equipment in polycarbonate enclosures. Ideal for support when adding a power supply, battery, or heavy equipment which could potentially deflect the enclosure bottom wall.

### APPLICATION

This innovative weight distribution shelf provides an extremely rugged support system when adding heavy equipment in non-metallic enclosures. Ideal for support when adding a power supply, battery, or heavy equipment which would otherwise deflect the enclosure bottom wall.

### FEATURES

- Robust, thick aluminum shelf supported by enclosure side

walls reduces risk of deflection of the enclosure bottom wall due to increase weight load

- Available as standalone SKUs or packaged with our enclosures.
- Hardware included
- Simple and easy installation with the use of common tools
